

Junior Corner— What is a Shiner?

Many fisherman like to fish with Shiners. You can buy them in most stores and bait shops. Most of the time they are in a jar you can put in your tackle box, but bait shops also sell them as live bait. So what *isa* Shiner?

A Shiner is a small species of fish that is Cyprinid family of fish. These fish are usually only about four to six inches long when full grown and are a shiny silver in color. Some shiners can also be golden.

Shiner are best used for Bass fishing. Largemouth and Smallmouth Bass are attracted to them. If you fish in shallow waters, just use a regular hook and a shiner. In deeper water use a baitholder or circle hook and some extra weight to get the bait down to where the fish are.

Stocking Report

The Fall stocking on September 17th went well. We utilized the new oxygen system on the truck to keep the fish happy Thanks to everyone who helped out. By the time you are reading this, hopefully, the winter stocking (December 17) will be completed. We are finalizing the stocking schedule for 2023. Look for the early Spring stocking dates in the next newsletter.

BR SAFE!

Fly Tying Classes resume in 2023

Fly Tying classes at YBAC which were cancelled in 2021 and 2022 will resume in 2023. Craig Hull will once again be teaching the classes at the clubhouse on Martin Road. Classes will begin on Wednesday, January 4 and go through Wednesday, March 8.

New this year will be a class for advanced tiers with more complicated patterns. That class will start at 6:00 PM on Wednesday evenings. The Beginners class will start at 7:00 PM. Advanced tiers are encouraged to stay and assist the beginners. No sign-up is required. Just show up and have fun. Classes are free and materials are furnished for flies tied at the club.

Even if you don't fly fish, fly tying is a great pastime and well tied flies are works of art worthy of display. Stop by the club on January 4 and try something new for 2023.

Nursery News

Everything is going well at the nursery. The fish are healthy and growing. Heavy fish kills from a parasite in the Rainbows has been cured and we are moving towards the Winter stocking.

Randy Raudabaugh
Nursery Manager

Now is the time to renew your YBAC membership for 2023. When you renew, consider a Sustaining Member donation or gifting a membership to a fishing friend. Thanks for being a YBAC member and Merry Christmas from YBAC.

SAVE THE DATE!!!
YBAC 2023 Spring Outdoor Show
Saturday, March 18, 2023
87 Marsh Drive, Carlisle, PA

YBAC Pig Roast

The pig roast for YBAC members was held on Saturday, September 10. Attendance was approximately 104 members and their families.

The pig was generously donated by the Brandon Clayberger family and raised by Colton Clayberger. Brandon roasted the pig.

We used all four of our new canopies for the first time, to provide shade for the food service area and diners.

Although the event was lightly attended, those who made it enjoyed pulled pork with bar-b-que sauces made by Rick Fetchko and side salads from Wenger's meats of Carlisle.

Thanks to everyone who helped with the set-up and tear down at the end. Many hands made quick and light work. The Ways and Means Committee will now begin to focus on the 2023 Spring Outdoor show to be held on March 18.

Raffle News

We're doing it again! The club approved the gun raffle for 2023 at the November 1, membership meeting. We are once again working with Jim Adams of The Hunters Trading Post in Franklintown, PA. The 2023 raffle will feature twenty-five, all state friendly guns. Tickets will be available in time to purchase as a Christmas present, but you must request them. The drawings will be held on Saturday, September 16 in conjunction with our annual Pig Roast, which will be open to the public. Purchase of a Gun Raffle ticket serves as the ticket for the Pig Roast as well. Details can be found on the YBAC website. The money raffle drawing will be held at the Outdoor show on March 18, 2023 at 1:30 PM.

Chris Kuba is handling ticket distribution for the Gun Raffle. Tickets will be available at meetings on the first Tuesday of each month and by requests through email.

Please do your best to sell the four money raffle ticket you receive. Last years raffle was our best one yet, but we can still improve on our results. If you cannot sell them, please return the unsold tickets in the envelope provided. Thanks for your help with this important project.

Outdoor Show Sponsors Wanted

As we move into the Fall with its many great fishing and hunting opportunities, the YBAC Outdoor Show (March 18, 2023) is right around the corner. The Ways and Means Committee is preparing for the event. If you attended last year's show, we had a great selection of vendors and presenters. We received very positive feedback and hope to make this year's show even better and see many more people attend.

We are currently looking for businesses to sponsor the show to help us reduce costs. Everything we earn goes right back to support the raising of our trout. We have three levels of sponsor packages. \$100, \$300, and \$500. Each level has benefits, some of which include but not limited to: YBAC web page and Face book exposure, shout outs during the event, and event program listing. If you own or work for a business that would be interested in sponsoring our Outdoor show, please contact Doug Alichwer at dalichwer@icloud.com. As always, check out our web page for up-to-date club information. Potential sponsors can also see how we present our current sponsors logos with links to their web pages. Thank you for your continued support.

Doug Alichwer
Sponsorship Chairman

2023 Limited Edition Lapel Pins and Patches are available.

A membership card will be mailed to you for the cost of membership: \$20 adult \$3 Jr. (under 16). If you want the club membership button or lapel pin mailed to you there is a \$3.50 s/h fee. Multiple items can be sent for a single \$3.50 charge. Memberships, buttons, patches, and lapel pins can be obtained at club functions without additional postage fees. All donations, whatever amount, are gratefully accepted. Our original "Feed the Fish for a Day" program has become quite expensive, almost \$100. A bag of feed is about \$40 so let those figures guide your giving and thank you very much for any donation you may afford.

News Clips

New Garage Project—YBAC is in teh beginning stages of a new garage for the Stocking Truck and Maintenance equipment. We have received another grant from the Commonwealth with the aid of Senator Mike Reagan. Plans are to demolish the rear of the existing garage which houses our mowers and other maintenance equipment and repair the floor. The existing garage that currently houses the truck, will be used for feed storage. The Building Committee is overseeing the planning and coordination with Monroe Township.

Stocking Truck gets a new aerator system— Earlier this Fall, Rick Fetchko made the club aware of the need for a new aeration system for the stocking truck. Depending on the outside temperature, the fish can be put under stress during some of the loner truck runs. The new system pumps oxygen into the water and reduces stress and fish mortality.

2023 Stocking Schedule set—The Board of Directors approved the 2023 stocking schedule submitted by Stocking Manager Rick Fetchko at the November 4 meeting. The first stocking dates will be published in the First Quarter newsletter.

New Hats Coming Soon! - An attractive new hat design will be available soon. A limited quantity of winter white camo hats with pine branch and brown splashes are in production with either red or brown YBAC lettering. Initially the hats will only be available at the club. Hats are priced at \$20 each.

Photos from Fingerling Day

Special Needs Derby Returns to YBAC

After a two year absence during the Covid-19 pandemic, the YBAC Special Needs fishing Derby returned. South Middleton Park was unavailable this year due to other projects, the derby was held at the nursery on Martin Road. John Aigeldinger chaired the event which served students, teachers, and parents from the Capital Area Intermediate Unit. Participants enjoyed catching Brown, Rainbow, and Golden trout. Some had never caught a fish before. The event took a considerable amount of work, but the look pon the faces of the kids who caught their first fish was ample reward.

When the fishing was done, everyone dined on hamburgers, baked beans, chips, and ice cream. Thank you to the Boiling Springs Lions Club for doing the cooking and all of the YBAC members who contributed their time and effort to make the day a huge success. Special Thanks to John Engeldinger for all of his work to plan and coordinate the day. Many of the children who participated wrote thank you notes which were warmly received and appreciated. Due to the success of the day YBAC plans to stage all future derbies at the nursery,

Don't forget to shop with Amazon Smile!

YBAC is officially registered with AmazonSmile so that we can receive donations through purchases.

Here's how to sign up for AmazonSmile:

1. Visit www.smile.amazon.com
2. Sign in with your Amazon.com credentials
3. Pull down the "Supporting" tab. Click on "change" Search for Yellow Breeches Anglers & Conservationists Inc.
4. Select your charity
4. Start shopping!
5. Add a bookmark for smile.amazon.com to make it even easier to return and start your shopping at AmazonSmile.

1. Turn on AmazonSmile in the Amazon Shopping app.
1. Make sure you're signed up for AmazonSmile (use your web browser to visit smile.amazon.com)
2. Download or update to the latest version of the Amazon Shopping app for iOS or Android device
3. Open the app and find "Settings" in the main menu (☐)
4. Tap on "AmazonSmile" and follow the on-screen instructions to turn on AmazonSmile in the app."
